

Korean TV List

| Drama Series | Rating | Year | Twitter Summary | Trailer | Content (WIP) | By |
|--|--------|------|---|---|---------------|------------------|
| Song of The Bandits | ★★★★★ | 2023 | Strongly influenced by 'The Good The Bad The Weird' , 'Red Dead Redemption 2' (and possible references to 'Judge Dredd' , 'Star Wars' & 'One Piece') this Korean Western is stylish, violent fun. Kim Nam Gil (The Fiery Priest) is once again sad & unstoppable, and Seo Hyun is sad in lots of fantastic hats. Great fight scenes. Lots of great supporting characters that don't get enough time. Interestingly sympathetic to the communist rebels who would later become North Korea. | https://www.youtube.com/watch?v=ujgGTWypdWs | | |
| Gyeongseong Creature 1 | ★★★★★ | 2023 | Business owners & private detectives in 1940s Japanese-occupied Korea face off against very, very unpleasant things happening in the local hospital. Very little humour (it's inspired by Unit 731) but good action, suspense, tragedy and special effects. A grim 'Stranger Things' . It shares some sets with 'Song Of The Bandits' but now they're larger. 'Song of The Bandits' has slightly better hats. | https://www.youtube.com/watch?v=Q3YgWWMxa8o | | |
| Alchemy of Souls | ★★★★★ | 2022 | Assassins! Mages! Biscuits! Monsters! Romance! Excrement! One of the best k-dramas I've watched - a bit silly and wobbly in places but enormous fun with great characters, effects and huge sets. There's even a second series. It's set in a Joseon-like fantasy kingdom. | https://www.youtube.com/watch?v=nIRw1CGbFU0 | | The Hong Sisters |
| Vincenzo | ★★★★★ | 2021 | Excellent, reminds me of The Good Manager in that it's about fighting big corporations, only this time with a high body-count, torture, lots of guns, blackmail, and shameless product placement. A Korean-Italian mafia troubleshooter shoots trouble & looks pretty/cool | https://www.youtube.com/watch?v=S12-4mXCnJ4 | | Park Jae Bum |
| Inspector Koo | ★★★★★ | 2021 | Now firmly in my Top 5 Korean dramas, possibly at number 1. It's very difficult to describe in one tweet: it's a rather unconventional and innovative detective series with a very women-dominated cast that avoids most k-drama stereotypes. Great music that's strangely Madchester | https://www.youtube.com/watch?v=Mhb1pq_v988 | | |
| Hometown Cha Cha Cha | ★★★★★ | 2021 | A kind but awkward & snobbish dentist ends up in a seaside village, meets casual jack-of-all-trades, and nothing much happens. Relatively low body-count. It's nice, funny, mostly cheerful and soppy. Ends with impressively forced Domino's Pizza ad. A romance theme romantic comedy. | https://www.youtube.com/watch?v=z68fapyp3-M | | |
| The Uncanny Counter | ★★★★★ | 2020 | Originally missed off this list because it's not a romcom, but if Very Serious 'The Tree With Deep Roots' has got on the list I can add a fun Buffy-like superheroes-fight-demons-and-corruption series. Also, like The Tree With Deep Roots, it has Ahn Suk-hwan! | https://www.youtube.com/watch?v=r5SSRM6uhs | | Yoo Seon Dong |
| Zombie Detective | ★★★★★ | 2020 | This knew exactly how daf it was & made a good job of it. Plot: full of holes. Detective: full of holes. Yet another evil vet, another CGI pig, boy band, an entire restaurant of tripe (literally), "Express Bus To Busan" & people hit with frying pans. | https://www.youtube.com/watch?v=HyT5ICDQoJE | | |
| Mystic Pop-up Bar | ★★★★★ | 2020 | Fun, cheerful double-romcom about death and regrets, ghosts, supermarkets, and one of the odd temporary bars that seem to be in every Korean TV series. Imagine a big budget Rentaghost reboot that dealt with things like miscarriages and fatal illnesses in a sensitive way. | https://www.youtube.com/watch?v=pqaOkAyo0pl | | |
| Diary of a School Nurse / School Nurse Files | ★★★★★ | 2020 | This is... very odd. A bit of rom, a bit com, huge amounts of slime, slime demons, teenagers, flesh tentacles, ghosts (slime), mass hysteria, supernatural dumbso squid, and teachers. Only six episodes. A haunted school series focusing on the staff. A+ | https://www.youtube.com/watch?v=SUUIXTZzhQI | | |
| Mr Queen | ★★★★★ | 2020 | A smug promiscuous top chef (male) in 2020 ends up possessing the body of a late-Joseon era Queen. It's funny but there's possibly even more political intrigue than in a serious Joseon drama, & strong themes of how patriarchy turns women against each other. Some excellent acting, especially from Shin Hye-sun as The Queen's two personalities. Lots of cooking! Lots of eunuchs! Was one of top 5 most watched things on Netflix | https://www.youtube.com/watch?v=2-ikfkhJbw | | |
| Rookie Historian Goo Hae-ryung | ★★★★★ | 2019 | Another Joseon romcom - rather funny at first, then more romantic, and then focuses on a constitutional crisis. Strong theme of women's rights, progress and anti-corruption. It's about honest, accurate historians but is quite anachronistic in places. Lots of likeable, almost Dickensian characters, and a very-Austen like female protagonist. We started calling the male lead "Sweet Prince Doofus". It often feels more like a Japanese 'Iskai', as the heroine is an educated, smart, very modern woman living in an almost medieval country, and being very smug about it at times. I want my own eunuch now. | https://www.youtube.com/watch?v=akqoXm7xu18 | | |
| Crash Landing On You | ★★★★★ | 2019 | 'The' Korean Romcom of recent years. Very wealthy woman accidentally ends up in North Korea, meets tall sensitive sad NK captain. Definitely one of the best so far, some surprisingly funny and sad bits, and a high body-count for a romcom, smart. | https://www.youtube.com/watch?v=eXMiTXL2Vks | | Park Ji-eun |
| Kingdom | ★★★★★ | 2019 | Epic Joseon drama with all the usual Joseon drama bits, but this time with a vast zombie-like plague too. It succeeds as both a great pseudo-period drama and as an innovative zombie horror series, and even manages a tiny portion of romcomness. One of the best Bad Queens, if not the best. I thought many scenes resembled parts of the 'Days Gone' video game. | https://www.youtube.com/watch?v=4li-yBjZpaAM | | |
| The Good Manager | ★★★★★ | 2017 | A gangsters' accountant dreams of moving to Denmark but ends up an accidental hero to workers at a huge company. The entire series is about dramatic inter-departmental accountancy battles and it's really good. Really, Barely any romance. Excellent antagonist. | https://www.youtube.com/watch?v=712pgZUFshs | | Park Jae Bum |
| The Tree With Deep Roots* | ★★★★★ | 2011 | Not a romcom, more a historical romtrag with fighting, betrayal, murders, scheming, linguistics research & Joseon big hats. Absolutely brilliant.Stars the actors for the Sad Gangster in Wok of Love & Sad Psychotherapist from Bride of Haebeok | https://www.youtube.com/watch?v=15cc2FV4zOE | | |
| Captivating The King | ★★★★• | 2024 | Captivating The King! Another quality Joseon drama with Shin Sae Kyeong, this time playing an aristocratic lady with a secret life as a brilliant male Go gambler. Everyone is scheming and plotting. Murders, plots, apparently gay romance, torture of course, good serious acting. Possibly too serious. Like Mr Queen it shows women trapped by court politics. You will learn how to shout BOLLOCKS in Korean. | https://www.youtube.com/watch?v=-117mqdtkk | | |
| Miss Night And Day | ★★★★• | 2024 | A young woman struggling to find work as a civil servant is cursed, or blessed, by an unexplained magic cat so that she becomes a retirement-aged woman during the day, and then finds work with a grumpy-but-nice prosecutor, fighting crime and creating excellent spreadsheets. It has serious themes and manages to be a silly farce too. Great supporting characters and actors. There is, of course, a serial killer. | https://www.youtube.com/watch?v=1GU1Kl-zwUJ | | |
| Crash Course In Romance | ★★★★• | 2023 | A nice, funny series focused on the stress of university entrance exams, on the students, parents and teachers. An aloof celebrity maths instructor falls for a humble side-dish cook and mother. Lots of nice characters and a slow romance between older people, and, of course, a serial killer. | https://www.youtube.com/watch?v=M0rNlIs05w | | |
| The Uncanny Counter 2: Counter Punch | ★★★★• | 2023 | A direct sequel for 'Uncanny Counter' and more of the same fun. A new team member, new tougher villains (led by a surprisingly muscular Kang Ki-Young, usually a nice nerd) with all the usual silly superhero team drama, this time based in an IKEA. There's a wrestling in cow manure scene, Ahn Suk-hwan with a big machine gun! Blatant product placements for food from the company that makes the series, which I then bought. | https://www.youtube.com/watch?v=L0XTfTcwVtk | | |
| Strong Girl Nam-Soon | ★★★★• | 2023 | A sequel to 'Strong Girl Bong Soon' , focused on another branch of the strong-women family, this time three generations of super-powered women at once - a wealthy family in Gangnam - and the Mongolian-raised hero Nam Soon is even stronger than Bong Soon. It's daf and fun. The heroine's Batman-like mother is frankly terrifying and I felt sorry for the villain. The super-strong grandmother's wailing of the charming barista is possibly my favourite second-couple. | https://www.youtube.com/watch?v=bFnfXJ5sedvc | | |
| Castaway Diva | ★★★★• | 2023 | After being stranded on a deserted island for 15 years, a woman returns to society and sings a lot. There's a lot of music and a lot of smart, perceptive drama, great characters. Strong themes of domestic violence, identity, the unfair power men have over women. Even has a CGI pig! Two comets! | https://www.youtube.com/watch?v=QleuQvFPaKc | | |
| Cafe Minamdang | ★★★★• | 2022 | "takes a deep breath" a group of disgraced police officers start a "sexy man cafe" that lets them run a fake shaman scam to catch a mafia instructor falls for the sister of their dead friend who's now a vengeful super-cop and "then" it gets confusing. Somehow both grim and silly. The romance element is mostly sidelined after about 2/3 through. It uses the same twist as a number of other dramas on the list. | https://www.youtube.com/watch?v=jooQKgdPfJg | | |
| Extraordinary Attorney Woo | ★★★★• | 2022 | A legal romcom centred on a new lawyer with a rare form of autism. Generally very good but that makes its flaws and contradictions stand out more. I disliked how one character was treated by the writers, otherwise it would get 5 stars. It has some lovely characters and manages to highlight social issues despite the law firm often representing the bad side of a dispute. Lots of whale facts. | https://www.youtube.com/watch?v=MxeXECe2t-g | | |
| Unlock My Boss | ★★★★• | 2022 | An unemployed young man finds a lost phone containing the soul of a top tech CEO and agrees to take his place. Surprisingly serious, with great acting and characters, but somehow too predictable. Phone-in-toilet scene wins a 🍷 despite later claim there was a lack of 'number two'. Portrays self-driving cars as rubbish so may actually be more realistic than 'Startup' . Also features what looks like the same AR tech as 'Memories of the Alhambra' but wins twice as many stars. | https://www.youtube.com/watch?v=PxF6n_2Wd7Y | | |
| Ghost Doctor | ★★★★• | 2022 | A brilliant but smug surgeon ends up in a coma and becomes a ghost, forced to team-up with a friendly young doctor lacking in practical skills. The two leading women are very much in the background, this is a bromcom. Rather gory but sweet, sad and funny. The surgeon is called Doctor Cha, but this is not the same Doctor Cha as in Doctor Cha . However his manager is the same actor as the other Doctor Cha's manager. | https://www.youtube.com/watch?v=bR9pUYiYQog | | |
| Poong, the Joseon Psychiatrist 1 | ★★★★• | 2022 | A brilliant but smug Joseon doctor has a very bad day and gets exiled, where he meets a noble lady keen on autopsies and detective work, and a grumpy drunken local doctor. Together, they... help people with mental health problems. It's a romcom but with a lot of suicide, domestic abuse and other grim bits, including a plot line clearly influenced by Kingdom . Let down by one character played with all the subtlety of a pantomime villain and the female lead being underused. Strange ending - hopefully it means there's a second series. | https://www.youtube.com/watch?v=qc2Nc-1AYBc | | |
| Hello, Me! | ★★★★• | 2021 | A depressed 37-year-old is visited by her obnoxiously cheerful 17yo self & starts fixing her life. Lots of snacks. The main love-interest man is daf but Very Nice. Sweet, sad and funny, but ultimately about death like almost every other Korean romcom. | https://www.youtube.com/watch?v=7i7XZ3eXNhc | | |
| Sell Your Haunted House | ★★★★• | 2021 | A warm-hearted fake exorcist.comman with a dark past teams up with a cold, gothy estate agent with a dark past, who is actually a real exorcist haunted by her own mother. Unsurprisingly it's all about death, family, regrets (with occasional humour and SHAMELESS product placement) and is very sympathetic to the ghosts. There's also political corruption and gangsters, of course. | https://www.youtube.com/watch?v=ZJ-F9GvpMFk | | |
| Secret Royal Inspector & Joy | ★★★★• | 2021 | A relatively silly lighthearted romcom but it's still a Joseon-period drama so there's the usual murder, torture, scheming, slavery, etc. A smart, nice, naive & smug aristocrat gourmet teams up with a smart, loud, direct, divorced working class woman to solve crimes & corruption. The real-world inspiration for the setting appears to be exactly the same as Captivating The King , but with different events and a very different mood. | https://www.youtube.com/watch?v=krcICbzqIUJ | | |
| Hellbound 1 | ★★★★• | 2021 | Grim, violent supernatural drama about huge demons horrifically attacking people in public and then incinerating them, and the effect this has on society. Subtle and not-so-subtle satire of religion and society and some great action scenes and twists, but unrelentingly dark. | https://www.youtube.com/watch?v=LtcXK6yNFN0 | | |
| Startup | ★★★★• | 2020 | An almost perfect example of a good Korean romcom, plus it has Python and Raspberry Pi vs Raspberry Pi drama. And lots of cordogs. It has a VC who is secretly nice so it's obviously a work of fiction. A good first k-drama. | https://www.youtube.com/watch?v=BernKyzbLDdc | | |
| The Fiery Priest | ★★★★• | 2019 | Ex-special forces Catholic priest with PTSD because he accidentally blew up 11 children takes on a murderous cartel and corrupt police. Many similarities to Vincenzo (same writer) but much lighter & funnier. Huge buses, lots of poo, fights | https://www.youtube.com/watch?v=CnVU9tqQm8r | | Park Jae Bum |
| Extraordinary You | ★★★★• | 2019 | Teenagers at a very posh private school realise they aren't real, and are actually part of a romance comic. I thought this would be funny but is actually really rather sad and, once again, all about mortality. Apart from the running-joke continuity errors - the school uniform keeps changing. | https://www.youtube.com/watch?v=a_1Tt9Rh16E | | |
| Hotel Del Luna | ★★★★• | 2019 | A perfect modern hotel manager & a 400-year-old vengeful semi-ghost hotel owner have romantic squabbles & the occasional murder-attempt while running a hotel for ghosts. Lots of flashbacks to a previous romance. Quite sweet really but yet another sad series about death | https://www.youtube.com/watch?v=UJ3_1v8sB48 | | The Hong Sisters |
| Her Private Life | ★★★★• | 2019 | Competent, skilled art gallery curator is also an obsessive stalker/fan of a younger k-pop star. Her new boss at the art gallery is a Very Serious Artist. Confusion & romance occur. It all sounds relatively dull but it's done very well: characters are good people, enemies reconcile rather than take revenge, positive portrayal of gay characters, and the underlying theme is shared motherhood, not death. Although it does have a death. Product placement for Canon cameras, the first K-drama product placement to work on me. | https://www.youtube.com/watch?v=K47Jqatqsw | | |
| Flower Crew: Joseon Marriage Agency | ★★★★• | 2019 | A male trio of matchmakers/wedding organisers try to turn a poor young woman into a Proper Lady, like 'My Fair Lady/Pygmalion', but it's a Joseon drama so there's also some waterboarding, limb dislocation, murder, suicide, and lots of theatrical schenning and fancy hats. It's still often very funny, good acting, great characters and some neat cinematography. | https://www.youtube.com/watch?v=HqgNl_tXzvz | | |
| Lawless Lawyer | ★★★★• | 2018 | Not a romcom, it's an anti-establishment justice drama like The Good Manager , Fiery Priest , Vincenzo , etc. Full of familiar characters and scenes but enormous fun, despite some legal bits straining credibility. Lots of punching, gangsters & Subway food | https://www.youtube.com/watch?v=hZ_QhFnAcTg | | Park Jae Bum |
| Wok Of Love | ★★★★• | 2018 | The one with gangsters, Chinese restaurants, the sleazy talking horse, huge amounts of cooking. | https://www.youtube.com/watch?v=it_FCNQGi4t | | |
| Strong Girl Bong Soon | ★★★★• | 2017 | Super-powered slacker game-designer wannabe heroine. Macho cop boyfriend vs arrogant game company millionaire boyfriend. Comedy gangsters! A creepy serial killer. Grandma's powerful excrement wine. Dad's walnuts. Theme tune! Terrible special effects at the end. | https://www.youtube.com/watch?v=XLAlRGc7b8E | | |
| Korean Odyssey | ★★★★• | 2017 | What if the characters from 'Monkey' were modern celebrities, and Monkey wanted to eat Tripitaka (the heroine, a psychic estate agent)? With a nice, sad zombie, TV talent shows, ghosts, KPop Pigsy, a loveable moustached villain/bull god, lusty octopus god & much more. CGI pig. Terrible special effects at the end. | https://www.youtube.com/watch?v=2Y8EeHkEDE | | The Hong Sisters |
| Bring It On Ghost! | ★★★★• | 2016 | Uni student teams up with nice ghost to punch bad ghosts for money. An evil vet! Nice drunken monk! Blatant homages to Scooby Doo. Quite sweet really. | https://www.youtube.com/watch?v=YyFMsrRCRYw | | |
| She Was Pretty | ★★★★• | 2015 | The heroine ends up with a job at a fashion magazine but... lots of mistaken identity, childhood sweet-hearts, mysterious handsome but daf! journalist things, drinking, more drinking, cow manure, bus stops. | https://www.youtube.com/watch?v=Av_G2B8p6IA | | |
| My Love from the Star | ★★★★• | 2013 | A conceited actress & unsociable arrogant vulcan-like alien sociology lecturer fall in love, battle murderous CEO, bicker, use superpowers. Not bad, quite daf. The obligatory Sad Love Rival looks a bit like John Noakes. | https://www.youtube.com/watch?v=AyQdUXCa9E | | Park Ji-eun |
| Rooftop Prince | ★★★★• | 2012 | Joseon-era prince's wife is murdered, he somehow travels to 2012 with his trusty eunuch, academic & swordsman sidekicks, and then there's comas, corporate intrigue, omelettes, and INTENSE nice sister vs evil sister sibling rivalry & hapless villain. | https://www.youtube.com/watch?v=-_V7zypaUb2c | | |
| Chicken Nugget | ★★★•• | 2024 | A young woman steps into a mysterious machine and is turned into a chicken nugget. Her father and not-yet-boyfriend try to turn her back. Strange humour, yellow trousers, mad scientists, aliens, restaurants, and another CGI pig at last. Huge amounts of swearing. I can't decide if the ending was good, weak, or good and then weak too. | https://www.youtube.com/watch?v=9Q0VhVGM6xmA | | |
| Atypical Family | ★★★•• | 2024 | A slow, thoughtful, emotional drama about a rich family with unusual, broken superpowers, and a poorer, scheming criminal family that become entangled with them. If you wished 'Parasite' had flying and weird time travel you'd love this. It would have got 4 stars but two great characters failed to become the gay couple they should have been and just became friends. Everyone is flawed, and unlikeable until suddenly, maybe they are. | https://www.youtube.com/watch?v=Cotqj30Bx8r | | |
| Flex X Cop | ★★★•• | 2024 | I expected to hate this: a rich irritating playboy is nepotised into a team of detectives and solves crimes. But I actually enjoyed it - it's nothing new but was competently done, and there's no forced romance between the rich cop and his boss. Cases sometimes get resolved via the rich cop's knowledge of wealthy society, and sometimes because he just uses his money. A remake of a Russian TV show. | https://www.youtube.com/watch?v=6V875wvUuMA | | |
| Gyeongseong Creature 2 | ★★★•• | 2024 | A generous 3 stars: the words " Highlander 2 " and " Alien 3 " were spoken while watching, Fun, but very disappointing compared to series 1, and relying on characters from the first series (many of whom are pointlessly killed), Poor plotting, pacing and depth - almost the entire series is just about revealing how it connects to the first series. Hopefully series 3 is better. Irritating chittering ninjas. | https://www.youtube.com/watch?v=Vq8I9ghqSuY | | |
| Knight Flower | ★★★•• | 2024 | A silly Joseon drama combining Batman (or Robin Hood, maybe?) & Cinderella as a widow supposedly living a life of isolation and prayer but actually working as a vigilante ninja at night. Funny, exciting and with strong anti-patriarchy themes, let down by a disappointingly mild end for villains & a heroine who seems to have had some anachronistic work done. | https://www.youtube.com/watch?v=HBCiGcC-B1s | | |
| A Virtuous Business | ★★★•• | 2024 | A remake of ITV series 'Brief Encounters', enhanced with extra K-drama plots and themes. A diverse group of women in a small town in 1992 struggle to start an adult products business. There is a lot of social commentary in here, wonderful characters but also a lot of silliness. | https://www.youtube.com/watch?v=d7Ohx6S8q2w | | |
| Doctor Cha | ★★★•• | 2023 | A medical divorce-comedy (divcom?) with some surprises, particularly in how it shows relationships and people to more complicated. Much of the fun is from watching egotistic smug bad-husband doctor humiliate himself. Lots of good melodramatic acting and quality farce, also lots of bowels-related action and surgical bits. Some limp episodes mid-way, but an excellent ending. | https://www.youtube.com/watch?v=qDF9Bkib28r | | |
| Behind Your Touch | ★★★•• | 2023 | Another series that combines something very silly with a grim serial killer: in this case, a vet gains the ability to access any animal's or human's memories by fondling their bottoms like a smart phone, and teams up with a grumpy arrogant detective to solve local crimes. The first half was going to get 5 stars, but it drags on at the end and the otherwise competent protagonist behaves poorly to push the plot along. Great supporting characters, especially the thuggish best friend and her ageing girl-gang and the aunt re-visiting her first love. | https://www.youtube.com/watch?v=XFH20W4ylyq | | |
| Bad and Crazy | ★★★•• | 2022 | Bad Cop/Mad Cop series in which a corrupt anti-corruption detective has his life changed by a mysterious heroic weirdo. Sometimes funny, sometimes full of stabblings and cruel psychological manipulation. Minimal rom, adequate com. First half funnier and more fun than the second half | https://www.youtube.com/watch?v=vlQQKT2B_rk | | Yoo Seon Dong |
| The Silent Sea* | ★★★•• | 2021 | Not a romcom: there is no rom, there is no com. There is a spooky abandoned moon base, murders, and water. Surprisingly good, especially if you like shouting "No! Why would you do that?" while people in space make bad decisions. Unusual deaths, weak ending. | https://www.youtube.com/watch?v=At_Hj9MDBBQ | | |
| Was It Love? | ★★★•• | 2020 | A romcom but unusual: female protagonist ends up w/ 4 men in love with her but spends the first 6 hours or so telling them to let her get on with her work & raising her daughter because life is complicated enough. Who is the father? A nice gangster is in this one too. | https://www.youtube.com/watch?v=LYGJhJ_17IA | | |
| Clean With Passion For Now | ★★★•• | 2018 | Scruffy working class woman & the posh, rude, mentally ill boss of a cleaning company fall in love & communicate very badly. Good at first, handles social issues/topics quite well but then deflates. Too much kissing. * Only in K-drama context | https://www.youtube.com/watch?v=CyYwAZZ8v9g | | |
| Bride of Haebeok | ★★★•• | 2017 | Sulky naked useless god meets sad, bad psychiatrist, then the usual mix of shouting and pouting occurs. Pretty good but the entertaining 'com' fades away, leaving 'rom' that is mostly awkward slurpy kissing and arguments. CGI pig. Shin Sae Kyeong is wasted in this really. | https://www.youtube.com/watch?v=UR4pt1cl5mw | | |
| W – Two Worlds Apart | ★★★•• | 2016 | A surgeon falls in love with the smug fictional-but-real hero of her dad's comic. Lots of parallel worlds, time travel, and strategic use of It Was All A Dream. Cursed Cintiq tablets. Another one that gets grimmer as it goes on until it's yet another romcom about death. Imagine that Aha "Take On Me" video with murders, taking a full day to watch. | https://www.youtube.com/watch?v=V1NKtET-Z4c | | |
| Warm and Cosy | ★★★•• | 2015 | Remarkably not that weird for something by The Hong Sisters - woman moves to an island and romantically bickers with a spoiled playboy chef and the nice mayor, plus there's romance between a diver and property developer, with a bit of Mysterious Death In The Past, lots of background BLOOP sound effects and cooking. | https://www.youtube.com/watch?v=IP6AuUdzOHE | | The Hong Sisters |
| My Girlfriend is a Gumiho | ★★★•• | 2010 | Spoiled rich drama student unwillingly ends up living with daf! cutesy ancient fox-spirit/young woman hungry for meat. There's a supernatural scheming vet. It's rather cheap & cheesy and doesn't take itself seriously but is often fun, except for the final 3 hours which become confusing and melodramatic. CGI Pig. Moral: don't drink poison when someone says "drink this poison" | https://www.youtube.com/watch?v=2Lcy3XUJd_A | | The Hong Sisters |
| Memories of The Alhambra | ★★••• | 2018 | It's about Augmented Reality, has an interesting idea, good acting, but both male and female lead characters are just so irritating we spent too much time groaning, facepalming and hoping the bad guys will them. Might continue later. Update: I finished watching it while ill, nothing improved and it never made sense. If anything it got worse. | https://www.youtube.com/watch?v=2Lcy3XUJd_A | | |
| Cinderella and the Four Knights | ★★••• | 2016 | Honest, hardworking girl who has memorised The Art Of War ends up living with three spoiled rich young men. I'm still not sure who the fourth Knight was. Too predictable and cliched. The female lead starts off quirky & brave & independent then just goes soppy floppy. Everyone behaves badly but is secretly nice, or is just nice. Still watchable, but it would have been better if the heroine ran off with her apparent rival instead of picking one of the men. Grumpy grandad, and an Evil Sister. | https://www.youtube.com/watch?v=VVjXJ3DJSjk | | |

Backlog, Paused & Abandoned

| Drama Series | Status | |
|----------------------------|-----------|---|
| The Sound of My Heart | | A comedy about a web cartoonist's rise to fame. Very funny, possibly too much toilet humour. Or just too much toilet. We've not finished this one, maybe because of all the toilets, but I should try it again when I'm not eating dinner. |
| Oh my Ghost! | | A sexually frustrated ghost that possesses a shy junior chef and makes her harass her employer but we foolishly started watching the Korean and Thai versions at the same time and got very confused - don't do that. |
| Strongest Deliveryman | PAUSED | Most dramatic, packed opening episode of any so far but then all characters become unlikeable |
| The Kings Affection | PAUSED | A lighthearted role-swap Joseon period drama and OH NO. OH. |
| Under The Queen's Umbrella | PAUSED | Wives and concubines scheme and compete to make one of their sons the next king |
| Tomorrow | PAUSED | A shabby supernatural team (plus nice guy in coma) try to prevent suicides QUITE GRIM |
| It's Ok To Not Be Okay | PAUSED | Almost everybody needs to be yelled at IMHO |
| Rugal | ABANDONED | Having seen Choi Jin-Hyuk looking confused and blinking in the great comedies 'Miss Night and Day' and 'Zombie Detective' I can't take this supposedly serious drama where he looks confused and blinks a lot seriously but it also isn't funny |
| Brain Works | ABANDONED | This is like a K-drama written by an 'AI' - it has all the usual tropes for a mismatched-duo cop drama, but absolutely no energy. |

Notes

| | | |
|---|--|--|
| | | |
| 1 | Not including the generic depression/anger/guilt/trauma used so often in drama, especially "man seems obnoxious but there is a reason and I can fix him" trope or "PTSD/guilt has made me a violent antihero" cliché | |
| 2 | Not cliché hacker stuff where a hacker uses magical powers to deus-ex the plot. Absolutely not! 'Memories of the Alhambra' | |
| 3 | Almost every k-drama has some darkness/tragedy in the plot, even in the comedies: suicide, childhood trauma and family tragedy are especially common | |
